

symcpp::Expression

```
classDiagram
    class symcpp::Expression
    class symcpp::Power
    symcpp::Power --|> symcpp::Expression
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text 'symcpp::Expression'. Below it is a gray rectangular box with a black border containing the text 'symcpp::Power'. A blue arrow points vertically from the top of the 'symcpp::Power' box to the bottom of the 'symcpp::Expression' box, indicating that 'symcpp::Power' inherits from 'symcpp::Expression'.

symcpp::Power
