

symcpp::Expression

```
classDiagram
    symcpp::Constant --|> symcpp::Expression
```

The diagram illustrates a class hierarchy. At the top is a white box labeled 'symcpp::Expression'. Below it is a gray box labeled 'symcpp::Constant'. A blue arrow points from the 'symcpp::Constant' box up to the 'symcpp::Expression' box, indicating that 'symcpp::Constant' inherits from 'symcpp::Expression'.

symcpp::Constant
